Dinlas men's lightweight jacket

SKU: TP238329905
Categorie: Clothing
Disponibilitate: În stoc (104)

The Dinlas men's jacket – a lightweight and functional jacket for all outdoor activites. Made of 72 g/m² 280T ripstop fabric of nylon, with a lining of 60 g/m2 210T taffeta polyester. The water-resistant coating of 500 mm offers protection from light rain and moisture. The roll-away hood offers versatility, allowing you to adapt to changing weather conditions. Because of the raglan sleeves it provides a comfortable fit and enhances mobility, making it ideal for active lifestyles. Essentials can be stored in the inside pocket. The Dinlas jacket is an essential addition to the outdoor wardrobe.
