VINGA Ciro RCS recycled vacuum bottle 300ml

SKU: TP1V43004
Categorie: Drinkware

Ciro RCS recycled vacuum bottle is an elegant and functionally designed thermos bottle. The bottle has a lid of acacia wood with a metal loop, which makes the bottle easy to carry with you when you're on the go. Acacia wood is an organic material where variations in shade and color are natural characteristics. The vacuum construction with double walls in recycled stainless steel ensures that the bottle keeps the temperature intact for a long time, both hot and cold drinks. Certified by RCS (Recycled Claim Standard), RCS certification guarantees that the entire supply chain of the recycled materials is certified. The total recycled content is based on the overall product weight. This product contains 69% RCS-certified recycled stainless steel. The bottle is easy to clean and should only be cleaned by hand. Including FSC®-certified kraft packaging.
