Yukon 350 g/m² unisex interlock sports crewneck sweater

SKU: TP238238
Categorie: Clothing

The Yukon long sleeve unisex sports crewneck sweater is crafted from an advanced interlock fabric blend of rayon, polyester, and elastane. It provides a smooth, flexible feel with just the right amount of stretch. This combination ensures moisture-wicking capabilities, shape retention, and a soft touch that moves with the body, making it ideal for both active and casual wear. Designed with a clean, unisex silhouette, the Yukon sweater offers a streamlined fit suitable for any wardrobe. The durable fabric and breathable construction make it perfect for layering or wearing on its own.
