

Acrux 10.000 mAh 35W tablet power bank with built in Type-C cable - made from recycled plastic

SKU: TP2124450

Categorie: Technology

The Acrux 10.000 mAh power bank is made from recycled plastic and is designed for fast, convenient charging wherever you are. It features a 35W USB-C in/out port and an 18W USB-A port, along with a built-in USB-C and Lightning cable, so you can charge your devices without needing extra accessories. A digital display shows the charging percentage at a glance, making it easy to monitor battery levels. Perfect for keeping smartphones and tablets powered throughout the day.
