

AdHoc Impact Espresso cups 70ml, 2 pcs set

SKU: TP1RBTK8

Category: Home and kitchen

Enjoy every sip to the fullest with the AdHoc Impact espresso cup set — designed for true coffee lovers who appreciate both style and quality. This elegant set of two is perfectly matched to the Impact coffee collection, bringing harmony and sophistication to your coffee moments. Made from heat-resistant, mouth-blown borosilicate glass, each cup is uniquely crafted and preserves the pure, unaltered taste of your coffee. The minimalist design enhances the visual experience, while the premium material ensures lasting performance. With a 70 ml capacity and a practical stackable shape, these cups are ideal for modern kitchens and versatile enough for espresso, lungo, tea, and more. Dishwasher-safe for everyday convenience, they combine beauty with functionality. The Impact espresso cup set — where clean design meets pure coffee enjoyment.
