

AdHoc Thermal Mug Pulse

SKU: TP1RBTT32

Categorie: Drinkware

The AdHoc Pulse thermal mug combines award-winning design with exceptional everyday performance. Its slim, elegant shape fits perfectly into bags and car cup holders, making it the ideal companion for a modern, mobile lifestyle. With double-wall stainless steel vacuum insulation, Pulse keeps drinks hot for up to 10 hours and cold for up to 12 hours. The transparent lid enhances insulation while allowing you to see the contents inside. The 500 ml capacity is perfect for coffee, tea, or cold drinks on the go, while the durable silicone base adds stability and protects surfaces. Crafted from food-safe stainless steel, Pulse delivers lasting quality with refined style. Winner of the German Design Award 2026.
