

AdHoc Twin Salt and pepper mill set

SKU: TP1RBMP125

Category: Home and kitchen

Add a modern touch to your table with the AdHoc Twin salt and pepper mill set - where minimalist design meets everyday practicality. With its bold colour combinations and softly curved shape, the Twin is as comfortable to hold as it is stylish to display. Designed with a top-mounted grinder, this clever upside-down concept keeps your table and worktop clean at all times. The integrated aroma cap protects the contents while preserving freshness and flavour. Equipped with the wear-free CeraCut® ceramic grinder and stepless grind adjustment, Twin lets you easily switch from powder-fine to coarsely ground seasoning — delivering perfect results with every use. Backed by a 30-year guarantee on the ceramic grinder, it's built for lasting performance.
