

Aervina RCS recycled plastic rechargeable desk fan

SKU: TP1P457.0803

Category: Technology

The Aervina desk fan, made from RCS certified recycled plastic, is a sleek and practical way to enjoy a refreshing breeze at home or in the office. Its modern black design combines style with function. The rechargeable 1200 mAh Li-ion battery provides up to 3 hours of working time and recharging in 4 hours via the included 120 cm black TPE USB-A to USB-C cable. With three adjustable speed levels and an adjustable stand, the Aervina fan offers flexible comfort wherever you need it. Made from RCS certified recycled ABS plastic. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 58 % based on total item weight. This fan is PVC-free and packaged in an FSC® certified kraft box. Max. power: 5W | Input current: 5V / 400mA.
