

Alkaid 4-port recycled aluminium USB-A and Type-C hub with dual input

SKU: TP2124469

Category: Technology

The Alkaid 4-port hub, made from recycled aluminium, is a versatile solution for your connectivity needs. With both USB-A and Type-C input connectors, it offers 1× Type-C and 3× USB-A output ports, allowing you to connect multiple devices and transfer data at speeds of up to 480 Mbps. Ideal for expanding the port options on your laptop or desktop.
