

Alkes 5000 mAh 12W recycled plastic water resistant power bank with carabiner

SKU: TP2124470

Category: Technology

Stay powered on the go with the Alkes 5000 mAh power bank, made from recycled plastic. Designed for outdoor use, it features a built-in carabiner and a water-resistant design (IPX5), capable of withstanding low-pressure water jets such as rain. The USB ports are protected by a silicone cover, while the LED indicator displays charging status—ideal for hiking, camping, or everyday travel.
