## Alnair 5000 mAh 10W recycled plastic Type-C power bank with built-in flip stand and 2-in-1 cable

**SKU:** TP212447290 Categorie: Technology

**Disponibilitate:** În stoc (1340)

The Alnair power bank is a compact and practical charging solution made from recycled plastic. It features a fixed Type-C docking connector, a built-in foldable phone stand, and an integrated 2-in-1 cable with Lightning/micro-USB connector. With a Type-C input/output port for added flexibility, it's ideal for keeping your phone charged and supported wherever you go. <br/> <br/> tr>
