Disponibilitate: În stoc (10000)

Double-walled tumbler made from recycled plastic, with a twist-on spill-proof lid and black inner layer. The tumbler is 75% recycled in total, with a recycled mug and standard lid. The lid clips closed to better prevent spillages, and is manufactured without silicone for a fully recyclable mug. Due to the nature of recycled plastic, there may be small marks or some colour variation.

EN12875-1 compliant, dishwasher safe, and microwave safe. The tumbler has a volume capacity of 350 ml and is fully recyclable. Made in the UK. Packed in a recycled PE plastic bag. BPA-free.
 Due to the in-house supply of recycled materials, a maximum order quantity of 3,000 pieces per order applies.
