

Andean A5 RCS recycled portfolio

SKU: TP2107993

Categorie: Office accessories

The Andean A5 portfolio is partly made from RCS certified recycled post-consumer polyester, offering a more sustainable alternative by reducing reliance on virgin materials. Designed with a sleek grey hard cover featuring rounded corners and precision welded technology, it is secured with a magnetic closure accented by a refined walnut wood detail—adding a modern and sophisticated touch. Inside, you'll find a removable softcover notebook with 64 cream-coloured lined sheets, made from 80 g/m² responsibly sourced paper. Presented in a kraft-coloured paper sleeve.
