

Anker Power Bank 25.000 mah 165W, Built-in retractable cable

SKU: TP1RBA1695

Categorie: Technology

This Anker Powerbank (25.000 mah, 165W, Built-in and Retractable Cables) is built for serious on-the-go charging. With a massive 25,000 mAh capacity and up to 165 W output, it powers everything from smartphones to laptops with incredible speed—charging a MacBook or iPhone to 50% in under 35 minutes. Its standout feature is the two built-in USB-C cables: one retractable and one integrated into a durable carry strap, eliminating the need to pack extra cables. You can charge up to four devices simultaneously via additional USB-A and USB-C ports, all while staying informed with a smart digital display that shows real-time power and battery status. With Anker's advanced ActiveShield 2.0 for safe charging and a compact, rugged design, this powerbank is ideal for work, travel, or daily use when performance and convenience matter most.
