

Anker Powerbank PowerCore 10.000mAh 30W powerbank

SKU: TP1RBA1256

Categorie: Technology

The Anker 533 powerbank PowerCore 10,000mAh 30W is a compact and powerful portable charger designed to keep your devices charged on the go. It features a 10,000mAh battery capacity and delivers fast charging with a maximum output of 30W via USB-C Power Delivery, making it suitable for smartphones, tablets, and even smaller laptops. With two USB-C ports and one USB-A port, it allows you to charge up to three devices simultaneously. The built-in display provides real-time information on battery status, while Anker's advanced ActiveShield 2.0 safety system ensures reliable performance by monitoring temperature thousands of times per day. Ideal for travel or daily use, the 533 powerbank combines speed, convenience, and trusted Anker quality in a sleek, easy-to-carry design.
