Anser recycled plastic smartphone lanyard with 27W 5-in-1 built-in cable

SKU: TP212449401

Category: Giveaways

Stay charged and connected on the go with the Anser smartphone lanyard. Made from recycled materials, it includes a built-in 27W 5-in-1 charging cable with USB-A and Type-C input and Type-C and Lightning output. A transparent insert secures your phone through its case, combining hands-free convenience with fast charging in one practical accessory.
