Aqua 15.6" GRS recycled water resistant laptop backpack 23L

SKU: TP213004490

Categorie: Bags and travel

Water-resistant laptop backpack made from GRS certified recycled materials, including the zips. It features a spacious 15.6" laptop compartment with a drawstring cord and adjustable buckles to maximize storage room under the flap cover. This backpack has multiple pockets, including a zippered front pocket with elastic drawstrings for storing and organising, and reflective piping for visibility. The moulded and padded backing and adjustable chest strap makes it comfortable to carry around even when fully loaded. The GRS recycled materials include the main fabric, lining, webbing, and zips. Capacity: 23 litres. PVC free.
