

Armus 3-in-1 15W recycled plastic foldable wireless charger

SKU: TP212449801

Category: Technology

The Armus 3-in-1 wireless charger is made from recycled plastic, and can power a smartphone, AirPods, and iWatch all at once, with up to 15W wireless charging speed. Its foldable, magnetic design lets you place your phone in landscape mode - perfect for watching while charging. Compatible with all wireless charging phones, including iPhone 12 and newer (or phones with a magnetic ring). Type-C connector included.
