

Asama 5000 mAh wheat straw power bank

SKU: TP2124137

Categorie: Technology

5000 mAh light weight and compact power bank made of wheat straw and plastic material mixed together, reducing the amount of plastic needed. Dual USB output that allows for charging 2 devices at the same time. Packaged in a gift box and delivered with an instruction manual (both made of sustainable material). Micro-USB charging cable is included. This item is also available in a more sustainable version made from recycled materials.
