Avalite short sleeve unisex Aware™ recycled t-shirt

SKU: TP237538553 Categorie: Clothing

The Avalite short sleeve unisex recycled t-shirt - a perfect blend of style and comfort. The self-fabric collar and narrow double needle stitching ensure durability while maintaining a polished look. Made of recycled cotton and recycled polyester, its single jersey 160 g/m² fabric offers comfort and breathability. The t-shirt incorporates Cyclo® recycled fibres where they use pre-sorted waste that determines the colour of the yarn. These fibres do not only reduce the demand for virgin resources but also exhibit a commitment to a circular life, embodying the essence of reducing waste and promoting a closed-loop system. Each t-shirt also comes with an Aware™ tracer. This innovative feature allows users to trace the origins and journey of their item through a QR code, enhancing transparency in the supply chain and fostering a stronger connection between the product and its production process.
