Meet the Alix—the ultimate coffee companion, crafted for those who live life on the go. With an effortless one-click, one-hand opening, it's designed for quick sips, making it perfect for your morning drive or daily commute. The sleek, easy-clean lid complements its body, made from premium RCS-certified recycled steel, blending lower impact with style. At 400ml, it's the ideal size for your favorite hot drinks. Packaged in eco-friendly FSC®-certified kraft paper, the box is more than just packaging—it transforms into a chic phone stand, pencil holder, or even a mini flower pot. Total recycled content: 66%, based on the item's total weight. 2% of proceeds of each Impact product sold will be donated to Water.org.
