The Alok is a slightly larger version of our bestseller, designed for a seamless 360-degree drinking experience that enhances the full aroma of your coffee. Featuring easy, one-handed opening, it's ideal for on-the-go lifestyles. The lid is easy to clean, and the body is crafted from RCS certified recycled steel, making it both lower impact and BPA-free. With a 600ml capacity, it comes in FSC®-certified kraft packaging that can be repurposed as a phone holder, pencil holder, or even a flower pot! Total recycled content: 77% based on total item weight. 2% of proceeds of each Impact product sold will be donated to Water.org.
