Avira Ayala RCS re-steel duosip lockable crossbody tumbler

SKU: TP1P438.1101

Category: Drinkware

Meet the Ayala, your versatile hydration partner, built for city life and beyond. Its smart lock system, carry handle, and detachable lanyard lets you wear it crossbody for hands-free commuting or slip it onto your shoulder with ease. At 600ml, it's perfectly sized to keep you refreshed throughout the day. Crafted from RCS-certified recycled steel with a silicone-silenced base, it combines durability with thoughtful design that minimizes impact. Packaged in eco-friendly FSC®-certified kraft paper, the box is more than just packaging—it's designed to be repurposed into a handy desk accessory. Total recycled content: 58%, based on the item's total weight. And with every Impact product, 2% of proceeds are donated to Water.org, helping provide safe water to those who need it most.
