The Azurite short sleeve men's organic t-shirt is a responsible choice. Made with 100% organic cotton with a fabric weight of 160 g/m², this t-shirt is not only good for the environment but also soft and comfortable to wear. With its round neck and short sleeves this t-shirt is both sustainable and modern, and the double needle stitching details and heat transfer main label ensure durability and tagless comfort.

This model will be replaced in April, 2026, by a new unisex model featuring OCS certification (Organic Cotton Standard).
