

Barry 23" auto open umbrella

SKU: TP210905302

Categorie: Umbrellas

The Barry umbrella is a bestseller for a reason. The 23" umbrella slides automatically open in just one click. It is made of polyester, a durable material that allows one to walk through the rain without getting wet. Furthermore, the umbrella has a metal shaft, metal ribs and a plastic handle. The Barry umbrella offers multiple possibilities for placing a logo or other company messages and is available in various colours.
