Inspired by Indian tiffin carriers, the Lunch Pot is slimmer and taller which makes it compact and easy to put in your bag. The Lunch Pot Original consists of two water-tight pots that can be locked together for carrying. The pots have a convenient silicone carrying strap which also holds the stainless steel “spork” (spoon and fork). Separate anything from yoghurt and fruit to noodles and soup. When you’re finished, the smaller pot fits inside the larger pot for easy storage. Microwave and dishwasher safe, apart from tritan lid.
