

CamelBak® Horizon 600 ml vacuum insulated cocktail shaker

SKU: TP2100748

Categorie: Home and kitchen

The Horizon 600 ml cocktail shaker is your ultimate companion for a happy cocktail hour. This classically-styled shaker features a leak-proof, portable design that allows you to mix up your favourite drinks anywhere. The vacuum-insulated stainless steel construction keeps your cocktails cold for 14 hours. Crafted with durable, easy-to-clean powder coating finish to prevent condensation on the outside of the shaker. Delivered with a cap that doubles as a jigger, complete with measurement markings, this shaker is perfect for your outdoor adventures and mixology on-the-go. Lifetime guarantee for manufacturing defects. Non-slip silicone base. Free of BPA, BPS and BPF.
