Disponibilitate: În stoc (37283)

Carryloop is an adjustable phone cord designed to be worn around your neck, letting you find the perfect length for maximum comfort and convenience. Its high-strength lanyard features an easy-to-use sliding adjuster, so you can tailor the fit to your needs—whether you're commuting, exploring, or simply on the move. A precision-engineered connecting ring and hook keep your device secure and guard against accidental drops, while the sleek RPET construction delivers a modern look and reliable daily performance. Made out of RCS certified RPET. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 40% based on total item weight. PVC free.
