Case Logic Jaunt 15.6" recycled backpack 23L

SKU: TP2120689

Category: Bags and travel

Sleek backpack for users that are looking to efficiently pack electronics and daily essentials. The main compartment will fit a 15.6" laptop and there is also a dedicated pocket for a tablet. Manufactured with 100% recycled polyester and recycled dobby materials. Quick access front pocket for small items, and an interior cord storage pocket suitable for phone chargers or small cords to keep them untangled. Also features convenient mesh side pockets for water bottles.
