

Case Logic Uplink 15.6" backpack 26L

SKU: TP2120690

Categorie: Bags and travel

The Case Logic Uplink backpack has 26 litres of storage capacity including two large compartments, double front pockets, and plenty of organisation compartments. The backpack is made of 100% recycled 600D polyester body material combined with padded, durable 100% recycled 1200D polyester base. The contoured shoulder straps and a quilted, fully-padded back panel ensure a comfortable carry. Featuring a 15.6" padded laptop compartment, a 10" tablet sleeve, two large side pockets for a water bottle or other small items, and a front organisation pocket for small electronics, pens, and keys. The spacious main compartment is designed to fit books and folders and a secondary compartment for additional notebooks, headphones and personal items, plus a small zippered privacy pocket. The quick-access front pocket could store a phone and small accessories.
