Case Logic Variate 17" recycled expandable roll-top laptop backpack

SKU: TP212077690

Category: Bags and travel

The Case Logic Variate 17" laptop backpack is a sleek and versatile companion for work, travel, and everything in between. Its rolltop design expands from 28L to 33L, offering flexible storage with a modern look. Made from 85% recycled materials by weight, including a 100% recycled polyester shell, lining, and mesh, it's finished with a PFAS-free durable water-repellent coating. Inside, a dedicated compartment fits a laptop up to 17", with room for a tablet, keyboard, mouse, and other essentials. A removable organising pouch keeps small accessories in one place and easily transfers between home and office. On the outside, two extendable side pockets provide quick access to water bottles or umbrellas. Designed for everyday comfort, the backpack features a breathable, padded back panel and shoulder straps, along with a pass-through strap for easy attachment to rolling luggage.
