

Chargevix RCS rplastic Multi-functional 60W charging set

SKU: TP1P302.9001

Category: Technology

The Chargevix RCS Multi-functional retractable charging cable set offers versatile charging and data transfer for multiple devices in a compact and organised design. The matte black case with a transparent lid houses a retractable cable of 80 cm and includes connectors for USB-C, USB-A, Micro, and Lightning, supporting data sync functions as well as CarPlay and Android Auto. Power delivery is optimised with 60W via USB-C to USB-C—suitable even for charging laptops—and 12W for USB-A to USB-C, USB-C to Lightning, and USB-C to Micro connections. Additional features include a SIM card removal pin, memory card slot, SIM card slot, phone holder, and an Apple Watch charger. Made out of RCS certified recycled materials. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 51 % based on total item weight. Item and accessories are PVC-free and packed in FSC® packaging.
