

Cliq it RCS recycled Keychain Camera

SKU: TP1P330.60

Categorie: Technology

Meet your new pocket-sized companion for capturing life's best moments. Cliq it is a fun and compact keychain camera designed for spontaneity, making it perfect to take anywhere you go. Whether you're out with friends, on holiday, or just enjoying everyday moments, it lets you snap photos instantly and relive them right away. Equipped with a 0.96" color screen, you can easily preview your pictures on the spot. The camera captures images in 720P quality, while the built-in battery allows up to 1 hour of continuous shooting. Recharging is quick and simple via USB-C, so you're always ready for the next moment. Compact and lightweight, Cliq it fits perfectly on your keychain, making it effortless to carry wherever you go. The camera supports micro SD cards up to 32 GB (not included), giving you plenty of space to store your memories. Made with 35% recycled ABS. Item and accessories are PVC free and packed in FSC plastic-free packaging.
