Cuprite long sleeve women's organic shirt

SKU: TP237525

Categorie: Clothing

The Cuprite long sleeve women's organic shirt is made from organic cotton poplin, combining responsible manufacturing with exceptional comfort. It features a semi-spread collar that offers a relaxed yet versatile look, while the contrast-coloured stitching on the sleeve placket and bottom buttonhole placket adds a subtle touch of style. Designed with a fitted silhouette, it creates a flattering and feminine appearance.
