

Daily Notes Binder 3 in 1 refillable PU notebook

SKU: TP1P774.1009

Category: Office accessories

A classic and minimalistic notebook system designed for organised everyday productivity. The Daily Notes Binder combines smart functionality with a clean professional look, crafted from durable PU material with FSC® certified paper inserts. Inside the refillable PU cover are six practical storage pockets, including two document pockets, two business card pockets, one passport pocket, and one additional pocket for essentials such as post-its or small accessories. The binder includes three interchangeable notebooks with 70 GSM cream-colored paper: one lined notebook, one grid notebook, and one dotted notebook. Each notebook contains 30 sheets / 60 pages and can easily be replaced or refilled using the elastic attachment system inside the cover. Finished with an elastic pen loop and horizontal elastic closure with PU accent, the Daily Notes Binder is the perfect companion for meetings, travel, note-taking, and everyday organisation.
