Duo GRS recycled double-laminated oversized tote bag 30L

SKU: TP2130113

Category: Bags and travel

The Duo oversized double laminated bottom tote bag is made from 150 g/m² GRS certified RPET, and offers enhanced durability and water resistance when it counts. It features a spacious open main compartment, sturdy reinforced handles, and a wide bottom for added capacity. Designed to carry up to 15 kg, it's a stylish and reliable option for grocery runs, beach outings, picnics, or weekend trips. Volume capacity: 30 litres.
