Duo GRS recycled double-laminated tote bag 18L

SKU: TP213011201

Category: Bags and travel

The Duo double laminated bottom tote bag is made from 150 g/m² GRS certified RPET with double lamination, and offers enhanced durability and water resistance when it counts. It features a spacious open main compartment, sturdy reinforced handles, and a wide bottom for added capacity. Designed to carry up to 10 kg, it's a stylish and reliable option for daily errands, trade shows, or promotional events. Volume capacity: 18 litres.
