

EDGE RCS three-sided pen exclusive

SKU: TP1P611.4105

Categorie: Office accessories

A modern writing instrument with a unique three-sided design, created for both style and writing comfort. The EDGE RCS Exclusive Pen features a contemporary colored design with a soft rubberised barrel, combined with matte metallic silver accents on the clip, tip, and plunger for a refined premium look. Its ergonomic shape provides a comfortable and controlled writing experience, ideal for everyday office and business use. Crafted with 36% RCS certified recycled materials, the pen is made from recycled ABS with AS details and features a subtle recycled ABS logo molded on the back of the barrel. Equipped with a reliable click mechanism and high-quality X20 refill with Dokumental blue ink, the pen delivers smooth writing performance with a writing length of up to 1200 metres and a 1.0 mm writing width. A stylish and sustainable promotional pen that perfectly combines modern design, comfort, and functionality.
