The Emerald short sleeve unisex recycled polo – where comfort meets style. This polo ensures comfort and durability, complemented by a 1x1 rib collar at the end of the sleeves. The polo also features GRS certified buttons, further reducing its environmental impact. With side splits for ease of movement, this polo embraces functionality. Made of a 200 g/m² pique knit of recycled cotton blended with recycled polyester. The polo incorporates Cyclo® recycled fibres where they use pre-sorted waste that determines the colour of the yarn. These fibres do not only reduce the demand for virgin resources but also exhibit a commitment to a circular life, embodying the essence of reducing waste and promoting a closed-loop system. Each polo also comes with an Aware™ tracer. This innovative feature allows users to trace the origins and journey of their item through a QR code, enhancing transparency in the supply chain and fostering a stronger connection between the product and its production process.
