Evans 370 g/m² unisex recycled sherpa fleece

SKU: TP239476904
Categorie: Clothing

The Evans sherpa fleece is made from recycled polyester, with a contrast fabric of 100% recycled nylon, adding a modern touch while reducing the environmental impact. This fleece jacket offers a slightly oversized fit for a relaxed look. The 1/4 zip centre front closure, complete with a hood, provides customisable coverage for changing weather conditions. Whether exploring the great outdoors or simply lounging at home, the Evans unisex sherpa fleece promises unparalleled comfort and modern style.
