Carry and protect your items inside this sporty backpack. The medium hiking backpack is made from ribstop fabric and features a medium sized shape with interior and exterior storage pockets and a mesh back padding that makes it comfortable to carry. This backpack has a roomy main compartment with a sleeve pocket to hold your 15.4 inch laptop. The integrated rain cover will protect your bag from rainfall. Contrast details add a splash of colour and a touch of sporty style to the overall design. PVC free.
