

Felta GRS recycled felt foldable car organiser

SKU: TP2120664

Categorie: Bags and travel

Foldable trunk organiser made of soft and durable high quality GRS certified recycled felt. Features 2 large compartments with fortified bottom plates, front pocket, mesh pocket and 2 long woven cotton handles (30 x 2.5 cm). Ideal for storing the charging cables of your electric vehicle, carrying your groceries or just keeping everything well organized in your car or at home. Folds into place without any effort and an elastic strap ensures it stays folded neatly. Depth closed: 4.5 cm. Depth open: 48 cm.
