

Findit RCS rplastic ultra-thin finder card rechargeable

SKU: TP1P301.5803

Categorie: Technology

Disponibilitate: În stoc (80)

Never lose your wallet again with the ultra-thin Findit card, featuring integrated Find My technology that connects seamlessly with Apple's Find My app. With Findit, you'll get an instant notification if you leave your wallet behind. Even if your wallet is completely lost, you can easily track it anywhere in the world using Apple's Find My network. Once you're close by, you can activate a sound to find its exact location. Findit is IPX5 waterproof and comes with a long-lasting rechargeable battery, making it incredibly convenient. Simply place the 2.3mm card on a wireless charger, and in just 1 hour, it will be fully charged and ready to go for up to 6 months—no need to worry about replacing batteries. Findit also has a lower impact by being made from RCS recycled ABS, with a total recycled content of 40% based on total item weight. The RCS certification guarantees a completely certified supply chain of recycled materials, and Findit comes packaged in FSC® mix gift packaging.
