

Findpop Dual RCS recycled plastic item finder IPX5

SKU: TP1P301.1701

Category: Technology

Never lose your items again with Findpop, a premium locating device made from RCS-certified recycled ABS that works seamlessly with both Apple's Find My and Android Find Hub, making it suitable for a wide range of users. With Findpop, you'll receive an instant notification if you leave your belongings behind, and even if they become completely lost, you can easily locate them anywhere in the world using the supported networks. Once you're nearby, you can activate the extra-loud 100 dB sound to pinpoint their exact position. Its IPX5 waterproof rating protects against splashes and rain, and the replaceable high quality Panasonic CR2032 battery provides up to 2 year of use. Made out of RCS certified recycled ABS plastic, and packaged in FSC® packaging.
