

Flara RSC recycled plastic USB-rechargeable torch

SKU: TP1P514.0501

Category: Car tools and accessories

The Flara USB-rechargeable torch is a compact and reliable lighting solution for everyday use. Its matte black body, made from 46% RCS recycled ABS, houses a rechargeable 500 mAh Lithium battery, providing up to 6 hours of operating time and recharging in 1 hour 40 minutes via the included 30 cm black USB-C to USB-C RCS RTPE cable. The torch features a single XPE light with three modes: 100%, 50%, and flashing, producing 80 lumens at 1W. A black polyester carry loop allows for easy portability. The case is made from RCS certified recycled ABS plastic. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 46 % based on total item weight. This torch is PVC-free and packaged in an FSC® certified kraft box. | Input current: 5V / 1A.
