20.000 mAh 20W PD powerbank where the case is made out of RCS certified recycled ABS plastic. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 15 % based on total item weight. With its sleek and space-saving design Flashcharge powerbank is remarkably compact, ensuring you can carry it effortlessly wherever you go. Experience lightning-fast charging for both iOS and Android devices. No more long waiting times; this powerbank ensures your devices reach full power in record time. The powerbank itself supports 18W fast re-charging so the powerbank can re-charged faster than a regular powerbank. Equipped with a Quick Charge 3.0 USB-A port and a 20W PD Type-C port, you can charge multiple devices simultaneously, without compromising on charging speed. Keep track of your power reserve with the integrated LED screen, ensuring you're never caught with a depleted battery when you need it most.
