

Freal 15W recycled plastic wireless charging pad

SKU: TP2124434

Categorie: Technology

Upgrade your charging experience with the Freal 15W wireless charging pad made from recycled plastic. As the successor to the non-recycled version, it combines high-efficiency charging with a more responsible choice. Delivered with a 50 cm 2-in-1 cable (USB-A and Type-C), ensuring easy connectivity for a variety of devices.
