

Gear X RCS recycled aluminium USB-rechargeable torch large

SKU: TP1P513.921

Categorie: Car tools and accessories

Disponibilitate: În stoc (435)

Functionality, performance and design all come together in this re-chargeable 10W torch made with RCS certified recycled aluminium. Total recycled content: 20% based on total item weight. RCS certification ensures a completely certified supply chain of the recycled materials. Because of its IP4 rating, it is weatherproof so can easily be taken outside. The powerful bulb creates up to 800 lumen and a beam that reaches up to 500 metres. The torch uses a re-chargeable A-grade battery so no need to replace the batteries. Simply re-charge via your USB socket and the included RCS certified recycled type C cable. The high quality bulb comes with 5 modes including SOS function. The 2000 mah battery allows a usage up to 8 hours on a single charge and also allows charging your mobile devices via type C. Aluminum does not lose its characteristics in the recycling process and can be recycled endlessly. Item and accessories 100% PVC free. Packed in FSC mix packaging. Input Type-C 5V, 1A; Output 5V.
