

Globefind Dual RCS luggage tag with worldwide locating

SKU: TP1P301.5701

Category: Technology

Never lose your luggage again with the ultra-thin Globefind Dual, a smart luggage tag featuring integrated locating technology that works seamlessly with both Apple's Find My and Android Find Hub, making it suitable for a wide range of users. With Globefind Dual, you'll receive an instant notification if you leave your suitcase or backpack behind, and even if it becomes completely lost, you can easily locate it anywhere in the world using the supported networks. Once you're nearby, you can activate a sound to pinpoint its exact position. Globefind Dual includes a long-lasting rechargeable battery; simply place it on a wireless charger and it will fully charge in one hour, providing up to six months of use without ever needing a battery replacement. Globefind Dual is made with RCS recycled polyester, with a total recycled content of 9% based on total item weight. RCS certification ensures a completely certified supply chain of recycled materials, and the tag comes packed in FSC® mix gif
