S-sized high-visibility vest designed for children aged 7 to 12, suitable for those with a height ranging from 90 to 155 cm. This vest offers a generous surface area for decoration, both on the front and back. It is equipped with hook and loop closures on the shoulders and at the base, providing additional safety and facilitating effortless vest donning. The opposing elastic bands ensure stretchability, enabling comfortable wear even over bulky coats. This vest has undergone testing and complies with EN 17353:2020 Type AB3. Moreover, it adheres to the PPE guidelines outlined in Regulation (EU) 2016/425 for Personal Protective Equipment Category II. Made with GRS certified recycled PET. Total recycled content: 58% based on total item weight. GRS certification ensures a completely certified supply chain of the recycled materials.
